

For the second year in a row

## Bank Aljazira is one of the Top rated Companies in the Corporate Governance Index (CGI)

The Corporate Governance Center at Alfaisal University honored Bank Aljazira for the second year in a row after announcing its winning of the Corporate Governance Index Excellence Award among all listed Financial sector companies in the Saudi Stock Exchange (Tadawul). The award was received by Mr. Sultan Al-Qahtani, Deputy Board Secretary on behalf of Bank Aljazira during the second International Corporate Governance Conference held in Riyadh.

Bank Aljazira was selected to be one of the Top Five Rated Companies in the Corporate Governance Index (CGI) based on the assessment made by the Corporate Governance Center of Alfaisal University in relation to the results of the annual evaluations in the CGI classifications for all listed companies in the Kingdom, including the five largest companies in the financial sectors, this advanced classification in the Corporate Governance Index is considered a commitment by Bank Aljazira to governance standards and all required regulations and standards.
